Where learning knows no bounds

Hello | नमस्ते | नमस्ते | Hola

Nurturing excellence at Aarth

Situated in the beautiful city of Surat, Aarth Universal School nurtures learning as a journey. Founded in 2021, we offer enriching IB programmes from Nursery onward.

Our focus on inquiry-based learning, creativity, and critical thinking empowers students to become global citizens, igniting their passion for exploration and preparing them as thinkers, dreamers, and doers!

IB PYP Authorized,
IB MYP Authorized,
IB DP Candidate*

*Only schools authorized by the International Baccalaureate Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit <http://www.ibo.org>

Crafting thinkers and changemakers

At Aarth Universal School, we empower students to question, innovate, and challenge conventional thinking. Our multidisciplinary approach, guided by IB-trained teachers, fosters creativity, critical thinking, and collaboration. Through real-world experiences and technology, we prepare students for 21st-century challenges, nurturing social skills and helping them become responsible global citizens.

Vision

Aarth Universal School strives to prepare students for an ever-changing global community by providing world-class international education that maximises student's inherent potential and lights up students' quest for lifelong learning for a better tomorrow.

Mission

To cultivate character, to achieve excellence and to build a sustainable future locally and globally.

Our core values

જવાબદારી / ज़िम्मेदारी

EXCELLENCE

શ્રેષ્ઠતા / उत्कृष्टता

Welcome to Aarth

As Swami Vivekananda said, 'We want that education by which character is formed, strength of mind is increased, and the intellect is expanded.' At Aarth, we are committed to nurturing young minds to be curious, confident, and compassionate global citizens, ready to lead with courage and empathy.

Mr. Kuldip Boghra
Founder & Director

Welcome to Aarth Universal School, where creativity and curiosity thrive! Our IB framework nurtures a lifelong love for learning, encouraging students to ask questions, explore ideas, and grow into compassionate, globally aware leaders. With a strong foundation in values, our students are prepared to make a positive impact on the world.

Ms. Jyothi Nair
Head of School

The **heart and soul** of global thinkers

IB Continuum Programme

The International Baccalaureate (IB) Programme is a globally recognized educational framework that aims to develop well-rounded, inquisitive, and culturally aware students. It offers a challenging curriculum that encourages critical thinking, independent research, and a global perspective. IB has four programmes, each designed to cater to different age groups, fostering academic, personal, and social growth while preparing students for success in a rapidly changing world.

The IB advantage: Preparing for tomorrow

- **Future-ready:** Equips students for the unpredictable, uncertain and complex future.
- **Inquiry-based learning:** Fosters lifelong learning, creative and critical thinking skills.
- **21st Century skills:** Develop strong academic research and innovation capabilities.

ation: A day at Aarth

Learning through exploration

At Aarth Universal School, we harness the power of **project-based learning**, enabling students to engage deeply with their interests. Our curriculum includes visual and performing arts for creative expression, digital literacy for essential modern skills, and design and technology for innovation. We also celebrate diverse languages, ensuring that every child's ideas come to life through hands-on experiences!

Primary Years Programme

The PYP covers an inquiry-based, transdisciplinary curriculum framework that builds conceptual understanding. It is a student-centred approach to education for children aged 3-12 that nurtures and develops young students as caring, active participants in a lifelong journey of learning.

Middle Years Programme

The MYP interdisciplinary framework fosters compassionate, adaptable learners through project-based, concept-driven learning. Students explore creativity, critical thinking, and international-mindedness across subjects like arts, digital literacy, and design. The Year 5 Personal Project helps them pursue passions and develop essential 21st-century skills.

Diploma Programme

The IB Diploma Programme is a rigorous, balanced, and internationally recognized curriculum designed for students aged 16-19. It develops inquiring, knowledgeable, and caring young adults who are motivated to succeed. Through a strong emphasis on critical thinking, intercultural understanding, and real-world application of knowledge, students study six subject groups alongside the DP Core - Theory of Knowledge (TOK), Extended Essay (EE), and Creativity, Activity, Service (CAS).

Through inquiry and meaningful action, learners connect their learning with the **United Nations Sustainable Development Goals**, developing awareness, responsibility and a commitment to creating a more sustainable world.

Approaches to learning skills

Learning How to Learn

THINKING

We use critical and creative thinking skills to analyse, evaluate and make decisions.

RESEARCH

We find, interpret and use information effectively from a variety of sources.

COMMUNICATION

We express our ideas confidently and listen actively in many ways and contexts.

SOCIAL

We collaborate, respect others and build positive relationships within diverse groups.

SELF-MANAGEMENT

We manage our time, set goals and stay motivated to achieve our best.

REFLECT. ADAPT. GROW. SUCCEED.

Happiness Curriculum for Joyful Living

Aarth Universal School's Happiness Curriculum supports social-emotional growth and wellbeing through joyful learning experiences. Through reflection, meaningful relationships and personalised guidance, learners develop empathy, resilience, self-awareness and the confidence to thrive personally and academically.

Kaizen - The Guidance Space

Wellbeing Space

Mindfulness & Wellbeing Sessions

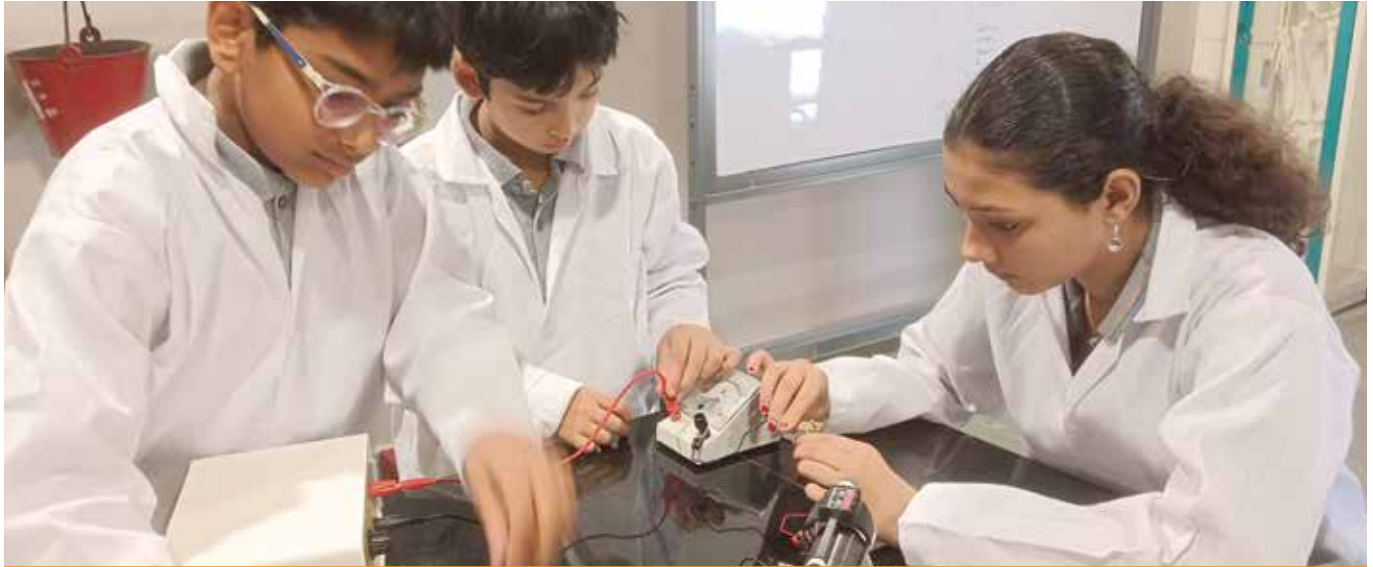

Develop Focus, Calmness and Self-awareness

WELLBEING. BELONGING. CONFIDENCE. GROWTH.

Where curiosity becomes discovery

Our inquiry-driven Science Labs and Robotics Lab encourage learners to question, investigate, experiment and apply their understanding through meaningful, hands-on experiences.

QUESTION. INVESTIGATE. DISCOVER.

Inquiry-driven Science Labs

Robotics Lab

From ideas to innovation

धी HUB - Design and Technology Space

A hands-on learning space where students inquire, develop ideas, create prototypes, test solutions and refine their designs through reflection and evaluation.

INQUIRE → DEVELOP IDEAS → CREATE → TEST → IMPROVE

Where language builds connection

In an IB learning environment, language supports inquiry, communication and conceptual understanding. Through meaningful interactions, learners strengthen their listening, speaking, reading, writing, viewing and presenting skills while building confidence in English, Hindi, Gujarati and Spanish.

Linguistic Oases - Language Rooms

Dedicated language spaces that encourage meaningful communication, literacy development and cultural understanding.

English Learning Support

Hindi & Gujarati

Spanish

Where creativity finds expression

Through inquiry, creativity and reflection, learners explore different ways to communicate ideas, emotions and perspectives. Visual and Performing Arts encourage imagination, collaboration, confidence and meaningful self-expression.

Mimesis - The Artists' Studio

Visual Arts Room

अभिव्यक्ति - The Spotlight Studio

Dance Room

ॐ - The Jam Studio

Music Room

Designed for comfort and belonging

Thoughtfully designed spaces support learners' comfort, wellbeing and sense of belonging throughout the school day.

BOOK CAFÉ - Library

A welcoming space where learners explore ideas, enjoy reading and develop a lifelong love for books.
